

Corner Stone Laid for Women Training Center

At the corner stone laying ceremony H.E Mr. Kazuhiro Susuki, the Japan Ambassador to Ethiopia delivered the congratulation message of H.E. Mrs. Akie Abe, Spouse of the Prime Minister of Japan. On the Message H.E. emphasized the garment training center will be a model for women's empowerment effort in Ethiopia.

H.E W/o Roman Tesfaye Federal Democratic of Ethiopia also convey the sincere appreciation and gratitude to the Japan Government for the support given to change the life of poor Ethiopian women and stated that this grant is evidently a demonstration of the strong relationship with the Ethiopian and Japan's government to generate a dynamic people to people relationship.

Selam Children's Village Children ,youth and Community support directorate director W/o Seblewongel Belachew greatly thanks the grant given by the Japan Government and highly appreciate the due attention of H.E W/o Roman Tesfaye Federal Democratic of Ethiopia where Selam Children Village engaged to the implement of women focused strategy which is thought-out by the Federal Democratic government of Ethiopia.

At the stone laying ceremony H.E W/o Roman Tesfaye Federal Democratic of Ethiopia, government officials and invited guests are attended.

The garment making Training center project launched in recognizant of H.E. Mrs. Akie Abe, Spouse of the Prime Minister of Japan and HE W/ro Roman Tesfaye First Lady of Federal Democratic Republic of Ethiopia Firs Lady visit On January 14, 2014.

On April 14, 2015 the foundation stone for Women Garment Training Center laid in Selam Children Village Technical and Vocational College.

The project is supported by the Japan's Grant Assistance for Grassroots Human Security Project with the cost of 98,000 USD to assist underprivileged single female headed women and women who are living with HIV/ AIDS in Selam Children's Village premises in Yeka Sub City.

The Training Center aimed to train 80 women per year so that they will be empowered to be self-reliance and increase their income and to be productive on the scheme as well as the project will open an entrepreneurship and business management opportunity for those women who would like to start their own business.
